# SAT & ACT

## Fall + Winter Class Schedule

### The 1600-point SAT focuses on:

**Evidence-Based Reading & Writing:** Measures your skills in Command of Evidence, Words in Context, Analysis in History, Social Sciences & Science, and Standard English Conventions. The Reading section is 65-minutes long with 52 questions distributed across 5 reading passages. The Writing section includes 44 questions across 4 packages, to be completed in 35-minutes.

**Math Section:** The 80-minute Math section includes a Calculator (38 questions) and a No-Calculator (20 questions) section in the areas of Algebra, Problem Solving, Data Analysis, Advanced Math topics like Geometry, Trigonometry and Complex Numbers. Your understanding of mathematical concepts and their application to solve real world problems will be tested.

**The SAT Essay:** This section measures your understanding of the given passage, effective use of textual evidence, ability to analyze content, and capacity to write a cohesive and compelling essay.

### The 36-point ACT test measures your skills in 4 areas:

**English:** Punctuation, grammar, usage, sentence structure; rhetorical skills (strategy, organization, style).

**Math:** Pre-algebra, elementary algebra, algebra/coordinate geometry, plane geometry/trigonometry.

**Reading:** Learning to interpret what is explicitly stated in a passage and reasoning to determine implicit meanings in both short and long passages.

**Science:** Data representation, research summaries and conflicting viewpoints will be analyzed for critical relationships between data; to make generalizations to gain new information, draw or make new conclusions.

## More about the SAT & ACT Boot Camps!

For students looking for intensive SAT and ACT Test prep, our Boot Camps are the perfect fit. We offer multi-length camps that include daily full-length diagnostic exams and 4.5 hours of instructor led class lecture and review. This structure empowers our students with the endurance and the confidence necessary to succeed when they take the real test. The Boot Camps still cover conceptual learning, strategies, and the fundamentals of the test specific to the needs of the class and the challenges of the given day. Our proprietary Boot Camp curriculum was produced in-house by our team of instructors and curriculum developers.
