SAT Prep Class Schedule Winter-Spring 2021-2022

The 1600-point SAT focuses on:

Evidence-Based Reading & Writing: Measures your skills in Command of Evidence, Words in Context, Analysis in History, Social Sciences & Science, and Standard English Conventions. The Reading section is 65-minutes long with 52 questions distributed across 5 reading passages. The Writing section includes 44 questions across 4 packages, to be completed in 35-minutes.

Math Section: The 80-minute Math section includes a Calculator (38 questions) and a No-Calculator (20 questions) section in the areas of Algebra, Problem Solving, Data Analysis, Advanced Math topics like Geometry, Trigonometry and Complex Numbers. Your understanding of mathematical concepts and their application to solve real world problems will be tested.

<i>SAT Advantage (Intermediate)</i>	<i>SAT Boot Camps (Advanced)</i>
<p>Our SAT Advantage Classes are Intermediate level classes for students preparing to take the SAT in the coming months. Over the course of the class, our program will equip you with the skills and knowledge to perform well on test day. Our instructors will spend time on test mechanics & test-taking strategies including time saving techniques, how to read a passage efficiently, and multiple-choice elimination strategies.</p> <p>Our in-house proprietary curriculum also teaches techniques intended to help improve speed and accuracy. Regular homework assignments will help students internalize the skills and knowledge they have learned in the classroom while the Boot Camp Review days will help them build endurance and comfort with the full-length SAT Exam.</p>	<p>For students looking for intensive SAT prep our Boot Camps are the perfect fit. We offer multi-length camps that include daily full-length SAT diagnostic exams and instructor led class lecture and detailed test review sessions. This structure empowers our students with the endurance and the confidence necessary to succeed when they take the real SAT. The Boot Camps still cover conceptual learning, strategies, and the fundamentals of the test specific to the needs of the class and the challenges of the given day.</p> <p>Our proprietary Boot Camp curriculum was produced in-house by our team of instructors and curriculum developers and is unique and separate from our SAT Advantage curriculum.</p>
